

# Product data sheet

# myGEZE Control CAN connector \*

Connector in the housing for use with the myGEZE Control  
CAN master terminal

## AREAS OF APPLICATION

- Networking of door, window and safety technology
- Powerful hardware for installation in control cabinets. Top-hat rail installation
- Connection to various bus lines for flexible building planning and scalability
- For use with the myGEZE Control CAN master terminal

# myGEZE Control CAN connector \*

## PRODUCT FEATURES

- 9-pole D-sub connector for CAN with integrated terminating resistor
- Connector type coupling, contact type socket

## TECHNICAL DATA

|             |                                |
|-------------|--------------------------------|
| Productname | myGEZE Control CAN connector * |
| Dimensions  | 16 x 65 x 45 mm                |

## VARIANTS / ORDER INFO

| Designation                        | Ident-No. | Dimensions      |
|------------------------------------|-----------|-----------------|
| myGEZE Control CAN PLUG (201288) * | 201288    | 16 x 65 x 45 mm |
